Subject: Support GAMEC's Mission – Together We Can Build Stronger Communities

Dear Brothers and Sisters,

Assalamu Alaikum wa Rahmatullahi wa Barakatuh,

The Global Association of Muslim Eritrean Communities (GAMEC) was founded with a vision to unite, empower, and serve our communities across the globe. Our mission is to preserve our faith, strengthen our identity, to support orphans, the needy and build bridges of cooperation with other Muslim communities worldwide, so that together we can uplift and support one another.

To effectively carry out this mission, GAMEC is seeking your generous support. We are currently in need of media equipments to spread our message, share our work, and highlight the stories of our communities.

Your donation, whether large or small, will directly contribute to:

- Orphan Care Program
- Support for Educational and Cultural Programs
- Support for Media Programs
- Support for Social Programs

We invite both members and non-members who believe in our mission to join hands with us by contributing. You are not only supporting GAMEC, but also investing in the growth, unity, and future of Muslim Eritrean communities everywhere.

Suggested donation amounts:

\$100 - \$250 - \$500 - \$1000 (Or any amount you are able to give)

May Allah (SWT) reward you abundantly for your generosity and make your contribution a source of ongoing sadaqah jariyah. Together, we can ensure that GAMEC continues to serve as a beacon of unity, strength, and hope for generations to come.

With gratitude and duas,

Global Association of Muslim Eritrean Communities (GAMEC)

Executive Committee
